CATCHING UP WITH ARIZONA DECA

DECEMBER CHAPTER OF THE MONTH

TREVOR BROWNE DECA

Over the past two years, we have experienced a transition between advisors, and with the support and leadership of our current advisor, Ms. Abbott, we are reestablishing and strengthening our chapter's foundation. This year, we have reignited our members' passion for DECA and showcased the incredible opportunities it offers.

Our members have exceeded expectations in both engagement and participation. For example, after a two-year hiatus, 40 members attended the Fall Leadership Conference this year. Our membership has also seen extraordinary growth, expanding from 44 members last year to 230 members this year.

In addition to growth in membership, we are actively engaged in all chapter campaigns. We are on track to complete both the Membership Campaign and the Community Service Campaign, and we have re-established our chapter's social media presence to strengthen our community connections.

The future of the Trevor Browne DECA Chapter is bright, with more exciting initiatives to come. We are confident that our dedication and efforts make us a deserving candidate for Chapter of the Month.

Alex Zamesnik has been an active WFHS DECA member for the past three years. This year as our president she has been an example of leadership and friendship to our growing chapter. The past two years she has ran the BEST competition prep our students had ever had the benefit of. She is so good with details and pours over her projects and assignments with the care every teacher/advisor hopes for. She has a caring heart and volunteers many hours to not only our chapter, but to the community. To know Alex is to know a person of strength who in spite of life challenges doesn't let anything hold her back and lifts those around her. So grateful she is our President!
